

NORTHERN BUCKEYE HEALTH PLAN, NORTHWEST DIVISION OF OHI

Dear Prospective Participant:

Attached is the 2024 Northern Buckeye Health Plan (NBHP) Express Scripts National Preferred Formulary List. This is only a partial list and is subject to change. It is in alphabetical order and on the back contains a KEY to understand this list. There is also a section that lists non-formulary medications with selected formulary alternatives.

Please remember that all Preferred Formulary Lists are not the same. Each insurance company has their own list, so do not assume that if a medication was on your previous company list it will be on the NBHP's list.

You may call 1-866-275-0044 if you wish to verify that your particular medication is on the list and what the appropriate co-pay will be.
